

Social engagement is at an all-time high in schools today. VolunteerMatch can help you harness the vitality and passion on your campus and benefit the community at large.

Campus Community Web site deployments for The George Washington University and U.C. Berkeley Cal Corps

The **Campus Volunteer Tools** connect your students, faculty, staff, and affinity groups with local community causes.

**Complete Technology Solution**

Access more than 70,000 community nonprofits through the VolunteerMatch network; invite preferred agencies to register and post at no charge through the VolunteerMatch Network.

**Search & Match**

Search and sign up for active volunteer opportunities that suit student, faculty and staff passions, location, schedules, and skills.

**Manage Campus Events**

Post, track and manage campus community events with sign ups, waitlists, waivers, reporting, and communication tools.

**Feature Campus Causes**

Feature the volunteering needs of specific community nonprofits and causes.

**Team Volunteering**

Use the Group Invite feature to make reservations for student groups, classes, or affinity groups. Connect with an extensive list of group volunteer opportunities.

**Opportunity Builder**

Allow students to post volunteer projects for approval by campus administrators.

**Skilled & Virtual Volunteering**

Provide students, faculty, and staff with skill-based and virtual volunteer opportunities.

**Track Hours**

Record and manage participation and community impact.

**Reporting & Metrics**

Measure program impact and support recognition programs.

**Support**

VolunteerMatch supports all of your users and nonprofit partners with phone and email support. Additional training and support is available for campus administrators.

**REQUEST A DEMO**

Please contact us and we will be happy to demonstrate our tools for managing campus volunteer programs.

“ People, especially young people... feel they can personally make a difference through community service. ”  
- “The Case for National Service,” *TIME*, 9/10/07
